HENRY COLBURN VOTES! PRINTED VOTES for the County of I of can be obtained at this office. The Wivery town should procure a supply in seaso:
Votes printed for other counties and to inty of Reneb The Whignin

VOTES printed for other counter Votes printed for other counter fore notice and at reasonable rates Look to the List of Voters.

The Board of Aldermen will be in session to for the purpose of revising the list of voters. The Whigs in the several wards should be look ing about them and see, that the names of all city for the last three months are entitled to and all who have noved into the city since the first of May should see that their names are put upon the list. A stile attention to these matters to day and tomorrow, may save a multi tude of regrets after the election One vote

The Fisheries.

The correspondent of the Mirmschi, N B Gleaner, writing from Shedisor, says—I never in my recollection witressed such immense shoals of mackerel as nee at the present moment there even to be seen throughout the whole extent of Northumbetland Strate, and stretching from there even to the nouth of the Restigouche try eight Amer can achiooners between Richibuctu hardin and the west point of our shores, and filling their criffers with the produce.

The Artesian Well at Edat Rosson and filling their criffers with the produce and filling their criffers with the produce.

The Artesian Well at Edat Rosson and the damage hamsened in such and filling their criffers with the produce.

The Artesian Well at Edat Rosson and the wast of the Rosson and the west point of our shores, in propoceuting the best business, and filling their criffers with the produce.

The Artesian Well at Edat Rosson and the wast of the Rosson and the west point of our shores, in propoceuting the best business, and filling their criffers with the produce.

The Artesian Well at Edat Rosson and the west point of the recommendation and the published at Gardaner, is now on a state of single wetchedment, it should be rested to the cammanation and to keep business day on the class of the solution of the substitute of the solution of the substitute of the solution of the control ness, and filling their coffees with the produce of these bounties which a kind Providence has placed within our reach, but which, through our own spainy and supincuese, want of exertion, and example on the part of our most wealthy neighbors, are not attended to

Cotton Goods watch the Journal of Commerce cities as show apparatus, as it required 9 years to attain at a part of the effects of a company which com menored business two years ago with a capital of empty of good water for the subabitants of East \$35,000 and here part tailed minus their cap:

The design Maxwell, Real Road Conductor, to Jerome & during an abundance of second crop strawber of this undertaking is to provide an abundant. Cos Express, to the officers of the steamer of this undertaking is opposed water for the subabitants of East \$35,000 and here part tailed minus their cap:

Boston \$35,000, and here just tasked minus their capi Boston all and \$150,000 besides. The Journal says that the goods sold at 9 cents at the sale cannot be made for less than 8 cents, and gives a detailed calculation, showing that the Printing Cloths by the high importance they attach to our new now selling at 4 to 44 cents actually cost over 5

that a law be passed making Whost a "lega if no other good comes, at less the may abuse tender" for debt. Thu is going a little far us less, and think more kindly of us now that, ther back to first principles than the Iron money in trade, he has got such an advantage over of the ancient Spartane If we lived in Ore- us gon, we should not want to carry with as more then five dollars of such ourrency, at a timela EFMr, French, the new Governor of Ilhnoand we fear that we should find it quite moon. is, Mr. Wells, the new Lieut Governor, and has in his possession a sucumber loss feet two vessent to go to the barn and get out the peak John Wentworth, the Chicago M C, are all mehre in length, coiled up so as to recomble a mounters whenever we wished to make shange natives of New Hampshite

### John Quincy Adams,

We find the following tribute to Mr Adams in an article by Mrs. Case, in a late. Cincinnati Enquirer Mis C has been travelling, und is writing articles entitled "Gutherings by the Wayside " Some of them are excellent.

Master here, and the set at his deak, looking over papers that were in his drawer. He is a fine looking and is lented old mon, to whom posierly alone conditions are dead, the "sage of Quincy will receive a different eintence than the papers have a personal enumers are dead, the "sage of Quincy will receive a different eintence than the public serian ow dispused to award him— it is said that he will so disjusted when the legal fees will in a few years—make a little and the lower owner to public life, and that he will so disjusted to the remaind it so, it shows a beautiful trait of effection.

The Post Master shaps he fingers in section in a character that has been subjected to the remaind it so, it shows a beautiful trait of effections in a character with which the party principles are disputed to the remaind in a proper shape and interest to moral my and the domestic visual states and in the properties of the said, in that respect, he towers in showe many plantiful of our nation.

Taking of Montercy.

The report from the correspondent of the N O Pic i une, at Canargo, that the Mexicans had cold cert 12000 troops at Monterey, and that Gin Taylor was I kely to find it had work to find an entrance there—is not only not confirm find an entrance there—is not only not confirm find an entrance there—is not only not confirm.

A 053.612 60

papers The correspondent of the New Orleans Civil and diplomatic expenses, Bee, for instance, under date of Camargo, 224 Indian Department do 1,106,688 50 Bee, fromstance, under taste of Comments of Maral service, and grees an entirely different, and truch more Naval service, army, probable, view of the matter, as follows. Volunteers and other troops, probable, view of the matter, as follows

pribable, view of the matter, as follows

"When they [Gen Worth a c immand] reach
Monterey, I have not the remotest idea of their
being opposed but they will enter and take possession of the town without firm a gun in
amicipation of their appaionch, Gen Mejia, left
for Sattillo about theelve days ago, taking with
him, besides his own soldiers, 600 men—every
man that he could induce to follow him, either
hentresters thereby Those are reported of a by entreaty or threat. There are reports of a Mexican lorce rapidly approaching from the interior, and I do not believe a word of it and if are from the doarne of the A nerican forces, we do not look for it until we get into the countains.

### Wing Cancus.

A convention of the Whige of the City was held at the City Hall on Wednesday evening Sept, 9th The meeting was organized by the burn, as a colkague with Rev John Fox, Au choice of Governor Kent Chairman and Henry gust lat, 1729 In an account of town expen-V Poor Secretary

The object of the meeting was stated to be pear that of nominating two cannidates to be supported as representatives to the State Legisla

Hon Limba H Allen, appeared before the meeting and in a nest and beautiful speech de clined being a candidate for nonnination

The convention then proceeded to ballot for cindidates and on the first ballot William Paine | Esq was nominated and on the second ballot Etgah L. Hamlin was nominated

the following vote distributors in the several wards were appointed

A R Hallowell L M Pitcher Luca French G W Ingersell P P Holden S C Hatch J Lumbert J & Lander J Meservey I W Patten N Whitman

DT Jewett JW Baynton E E Uphaca Nohim Watten J Hooper Marcus Ricker S B Morrison

N Hatch Jones Aines

The Convention was addressed by Nathl Hotch Esq and by Gov Kent

The following resolution was introduced by S C Hatch Laq, and adopted by the conven

Resolved That having the fullest confidence

within the last two or three years and thus know for a certainty how great a shave the peo makes a sum not to be overlooked. If the peo engraving and printing, three stemps are sold at of New Mexico, of which Santa Fe as the cap ple of Penubetot would get rid of high fees let five per cent advance upon the regular rates of the mediation of Great Britain, you cen best them elect for their Register Issae W. Patten. them elect for their Register Issac W Patten postage

Arrangements have been caded for admitting the children of several of the subbath schools in the city and some of the tenderest of the flowers. But the call down tender vines and some of the tenderest of the flowers. But the call the weather remains delightfully pleasant that Leavitt and his little band are beyond that Leavitt a The Providence Journal states that the goods The contractors are sanguine that they can bore

TT in reading the English Journals, received by the Britannia, we are struck, all the while, Tariff, as of great service to their country, and the windpipe or throat, and is fatal in a day or by the profuse calculations they make of profit two Blistering has been lound efficacious from it John Bull never was so thoroughly when laken in time The Governor of Oregon recommends delighted with Brother Jonathan as now, and,

The people of langur are very peace Later from Santa Pc. ,
able, patient and submissive They allow laws The St Louis Republican of the 22 of Sep to be violated with impurity and transfer change tember, contains the following interesting in from their pockets to the pockets of office hold telligence from Santa Fe from their pockets to the pockets of office hold ere as though true patrial am demanded it for the support of the Government. The Post Master here, entirely disregards and scorns the law making it his duty to advertise the list of letters in the newspaper having the largest or letters in the newspaper having the largest or The Register of Deeds, with an office in which the legal fees will in a few years-make a shield that they had 7000 men ready to march attack that they had 7000 men ready to march

An Ordination of Olden Time.

Rev Edward Jackson was ordaned at Wo burn, as a colkague with Rev John Fox, Au gust lat, 1720 In an account of town expenses for that year, the following charges up pear fo life John Poole, Esq., for enbassing the ses for that year, the tollowing charges up

For Mr. Jona Poale, Esq., for subsisting the Ministers and Messangers and Gentlemen in the time of Mr. Jackson's crimination—

Potatos.

A correspondent of the Northempton Cours er says that a gentleman in Conway, Franklin county, has a field of potatos, the tops of which he moved off some weeks since, to prevent the inveges of the potato blight, the result of which has produced destruction more sure than the hight The new crop has sprouted, and thrown up its stalks, which will probably produce a second crop, by which the first will be rendered utterly useless. The next growth has aiready attained the height of about aix inches

### Temperance Movements at Fort Fair-

About two months since a Temperance So ciety, was formed at Fort Fairfield and now near ly seven-eighths of the inhabitants are mein Two Rum Taverns and one Grog Shop have closed their doors to rum

Not a drop is sold in the place Raising of buildings are all conducted on Temperance principles This is good news

The Christian citizen states that the post invenient, and will save the trouble of mak ple to send pre paid letters at hours when individually may appear small but the aggregate the Office is closed. To cover the expense of upon the basis of the cession to the United States makes a sum not to be overlooked. If the peo engraving and printing, these stamps are sold at of New Marco of which does not proceed in the province engraving and printing, these stamps are sold at of New Marco of which Search and the province engraving and printing.
